****PARTS IDENTIFICATION, RESEARCH, & SOLUTIONS****

AIR FITTINGS

hose barb • push-to-connect • compression • couplings • quick disconnect • mufflers • ball valves • brass • nipples & pipe fittings • flow controls

AIR PREPARATION

filters • regulators • lubricators • gauges • valves

BEARINGS

ball • roller • flange • pillow block • type E • spherical • mounted • linear

BELTS

v-belts • timing belts • metric belts • synchronous • conveyor belting

CAM & GROOVE COUPLINGS

standard • reducing • specialties • accessories • strainers

CASTERS

light duty • medium duty • heavy duty • kingpinless • stainless • forged • pneumatic • wheel replacements

CHAIN

roller • engineered • metric • agricultural • links • attachments

CLAMPS

standard • punch-lok • oetiker

CONVEYORS

manufactured • custom • gravity roller • conveyor belting • replacement parts

CYLINDERS

pneumatic • hydraulic • low pressure • medium pressure • high pressure • attachments • customized

COMPRESSED AIR PRODUCTS

air nozzles & jets • air operated conveyors • cabinet coolers • air knives • air amplifiers • static eliminators

ELECTRIC HEAT, VENTILATION, & LIGHTING EQUIPMENT

industrial fans • blowers • heaters • work lights

ELECTRICAL AUTOMATION

contactors • starters • circuit breakers • PLC'S • motor control centers • proximity & photoelectric sensors • limit switches • cables • relays

HOSE

hydraulic • air • vacuum • material handling • food • galvanized • stainless steel • flex hose • poly tubing

HYDRAULICS

fittings • hose • adapters • motors • pumps • cylinders • valves

MATERIAL HANDLING EQUIPMENT

lift tables • pallet positioners • pallet handling

MOTORS

AC • DC • general purpose • severe duty • washdown • explosion proof • pump motors • IEC • brake motors • soft starters • gearmotors • generators • inverters • controls • gearboxes • speed reducers

POWER TRANSMISSION

sprockets • gears • sheaves • couplings • timing pulleys • bushings • idlers

SAFETY

light curtains • mats • guarding and interlock switches

SEALING PRODUCTS

gaskets • o-rings • seals

TOOLS

hand tools • power tools • pneumatic tools

MACHINE SHOP • FABRICATION SHOP
INDUSTRIAL SALES • INDUSTRIAL MAINTENANCE

Hydraulic Hose & Fittings
* Adapters & Quick Disconnects * Swivel Joints

Service, maintenance, repair & testing in electronics, electric motors, hydraulics, & OEM Systems

Air Circulators * Ventilating Products

U.S.A. Manufacturers of Chain and Sprockets

Motors * Drives * Generators

Lift Tables * Pallet Positioners
Mobile Handling * Pallet Handling

Pressure Washers * Drain Jetters

Worm Gears * Gear Motors * Servo Drives

Pulleys * Idlers, Lagging, & Magnetic Separators * Take-Ups

CUTLER-HAMMER

Limit Switch * Proximity/Photoelectric Sensors
* Motor Control Centers * Starters & Disconnect Switches

Overhead & Jib Cranes * Vacuum Lifters
* Air Balancers * Industrial Manipulators * Pallet Inverters

Flexible Interlocking Metal Hose * Silicone Hose
* Reinforced & Non-reinforced Industrial Ducting

A Regal Beloit Company

Worm Gear Speed Reducers * Helical Gear Reducers

Power Transmission Belts * Urethane Power
Transmission Belts * Industrial Hose & Couplings

Push-to-Connect Fittings * Pneumatic Function Valves *
Tubing & Hoses * Filters-Regulators-Lubricators

AC & DC Electric Motors & Gearmotors
* Mechanical Gear Drives

Industrial AC Motors

Stock & Custom Power Transmission Products * Sprockets
* Gears * Shafts * Bushings * Collars * Keys

Brass fittings * Valves * Nipples & Fittings
* Hose Clamps * Pneumatics * Hydraulics

Type E Mounted Bearings * Spherical Roller Bearings
* Ball Bearings * Tapered Bushings * QD Bushings
* Shaft Collars * Pulleys

Aluminum Air Cylinders * Steel Air & Hydraulic Cylinders
Mill Cylinders * NFPA & Metric Cylinder Accessories

Metric Power Transmission & Timing Belts

Custom Industrial Conveyors
Industrial Conveyor Systems

Screw Conveyors, Feeders, Compactors, Bucket Elevators

America's Comfort Conditioning Company

Heating * Ventilation * Lighting * Controls
